Services We Offer

About Royal Veterinary Services

At Royal Veterinary Services, we're dedicated to providing precise, reliable, and timely testing for animals across the UAE. Our commitment to science and animal health laboratory combines cutting-edge technology with compassionate service to support veterinarians, farms, clinics, and pet owners.

Our diagnostic facility offers a comprehensive range of testing services from routine blood analysis to advanced ELISA screenings tailored to the evolving needs of veterinary care. Each test is handled with strict quality control, accuracy, and speed, ensuring that your animal's health is made with complete confidence.

What sets us apart is not just our expertise, but our understanding of the responsibility that comes with every result we deliver. Whether it's a single pet or an entire herd, we believe in treating every animal with the same level of attention and care.

Our Mission

At Royal Veterinary Services, our mission is to deliver fast, accurate, and affordable diagnostic solutions that support the health and well-being of animals. We are committed to combining compassionate care with modern laboratory practices empowering pet owners and veterinary professionals with reliable results and trusted support, every step of the way.

Our Vision

Our vision is to become the most trusted and accessible veterinary diagnostics provider in the region. We aim to lead with innovation, reliability, and compassion making quality animal healthcare easier, faster, and available to all.

Meet Our Dedicated Experts

A dedicated team of expert veterinarians delivering accurate diagnosis with compassion.

At Royal Veterinary Services, our dedicated team of veterinarians, lab technicians, and support staff are the heart of everything we do. With deep experience in animal diagnostics and a passion for pet health, they bring skill, compassion, and integrity to every test we conduct.

Book an Appointment Now

Rapid Turnaround Without Compromising Accuracy

We understand how critical timely diagnostics are to veterinary decision-making. That's why we're committed to delivering fast results, often within 24 to 48 hours without ever compromising on precision. Each sample undergoes strict quality control using calibrated equipment and validated protocols, so you get reliable results when you need them most.

Our Services Highlight

[Why you should choose us](#)

At Golden Class Laundry, we understand that life can get busy, and doing laundry is often a time-consuming task. That's where we come in to make your life easier. Our pick-up and delivery laundry services can be customized to meet your needs:

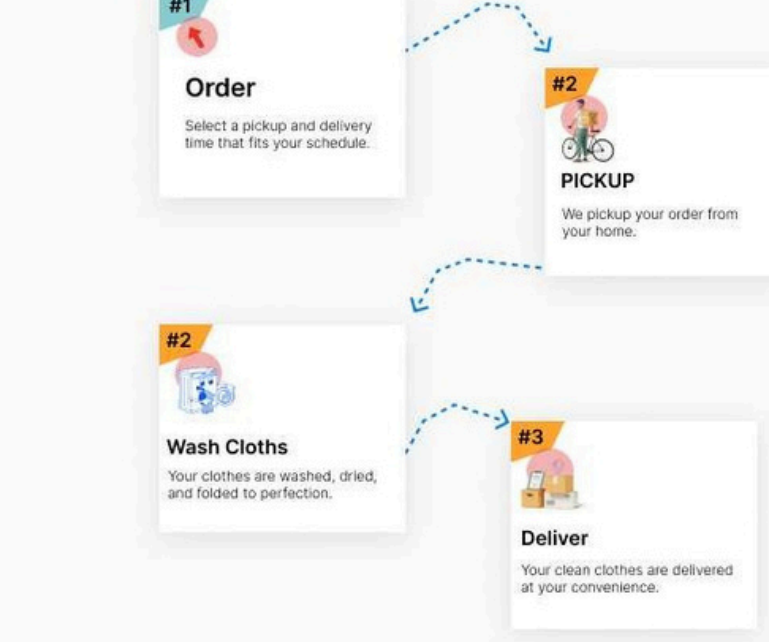

- Laundry Pickup and Delivery: Our laundry pickup and delivery service is tailored to your schedule. We'll collect your dirty laundry from your doorstep and return it to you freshly cleaned and folded. We guarantee next-day delivery, and can offer same-day delivery on orders placed before 2pm.
- Local Expertise: As a laundry service deeply rooted in the Chicago-based area, we're familiar with the unique needs of Andersonville. We understand the importance of quick and reliable services in a dynamic neighborhood like this.
- Community Involvement: Drop & Dash actively supports the local Andersonville community by partnering with nearby businesses and restaurants. We proudly contribute to the growth and prosperity of the neighborhood we serve.

How it Works

Take back your time. Leave the laundry to us.

We deliver quality, eco-friendly laundry care with fast service and expert stain removal. From washing to dry cleaning, our reliable and affordable services ensure your clothes are treated with precision and care.
